What is Youth@Work?

Youth@Work is a **no-cost support program** helping Calgary employers attract, hire, and retain resilient youth **aged 18–29** who face barriers to employment. These youth bring **strength, motivation, and unique perspectives** to the workplace.

What We Offer

- Inclusive hiring readiness assessment
- Customized support plans
- Training and workshops
- Trauma-informed supervision, bias-aware interviewing
- Hiring and recruitment support
- Onboarding and retention strategies
- Community connections
- Partners and job-ready youth

Our Mission

We work directly with employers to build inclusive hiring practices through education, training, and hands-on support. Our goal is to help you create a workplace culture that **values diversity and fosters long-term retention.**
